Expertise

Fredrik Linder is partner in Hamilton's Competition and Procurement practice. He has extensive expertise in public procurement. Fredrik represents both suppliers and the public sector in all types of procurement matters. He has advised in a large number of court cases concerning reviews, invalidity of contracts and damages in connection with procurement. He is also specialised in managing EU and competition law matters, including merger control, abuse of dominant position and state aid. Fredrik regularly represents clients in a number of different sectors, including telecommunications, pharmaceuticals, medtech, healthcare and transport. Fredrik is top ranked within public procurement by Chambers and Partners (Band 1) and is ranked as Leading individual by Legal 500. He is also ranked as a leading lawyer in this area by Who's Who Legal.
