Expertise

Lars Eric Gustafsson is partner in Hamilton's Restructuring and Insolvency practice. He is specialised in Swedish and international insolvency law. He represents listed companies and banks in major insolvency cases. Lars Eric is often appointed as an administrator in corporate reorganisations and in bankruptcy. He also advises to companies in commercial and legal matters with a focus on handling crisis situations. In addition, he has also acted as an adviser to boards and owners in the construction of several larger and medium-sized companies in trade, service and the real estate sector. Lars Eric Gustafsson is ranked as a leading lawyer within restructuring and insolvency by Chambers and Partners and is recommended by Legal 500.
