Expertise

Michael Levin is partner in Hamilton's Restructuring and insolvency practice. He is specialised in restructurings, liquidations and transfers in connection with insolvency. Michael also advises on acquisition and transfer of companies and properties and provides continuous advice on property related matters. Michael's sector expertise covers engineering and IT, property, finance and aviation and retail. He represents domestic and international banks, funds and other financial institutions, property companies and companies within service and retail. Michael is ranked as a leading lawyer within restructuring and insolvency by Chambers and Partners and recommended by Legal 500.
